The illegitimate GOP SCOTUS majority are attempting to self-legitimize by granting the disqualified Presidents who unlawfully-appointed them with retroactive absolute immunity, to RICO-obstruct for their ongoing disqualifying crimes as accessories after the fact.

The GOP SCOTUS majority have overtly furthered the 91 year ongoing GOP conspiracy to engage in disqualifying crimes and to RICO obstruct justice for the same as accessories after the fact, having (1) violated their perjured false claims to the government during their nomination and confirmation hearings with respect to supporting stare decisis or the rule of law, (2) having instead violated their oaths of office to support the Constitution with public corruption, (3) having violated the scope of their official capacities, and (4) the scope of their employment protections, by (5) unlawfully-granting the former Presidents that unlawfully-appointed the SCOTUS majority with absolute immunity for their disqualifying crimes is a reasonable inference, and in doing so have unlawfully-legitimized their unlawful appointments by disqualified Presidents.

The above diagram from some of our previous reporting -- which predicted the GOP SCOTUS majority would move to self-legitimize themselves -- summarizes our understanding as to how those who appointed SCOTUS, unlawfully did so, because they had been disqualified from public offices, and/or became accessories after the fact by RICO obstructing the same with usurped and corrupted public offices.

Also this week, the GOP's Jeffrey Epstein's RFK Jr. specified that he "won't take sides on 9/11", so he won't take America's side and release all of the evidence that has yet to be released, which Jeffrey Epstein's Donald Trump also would not release.

The GOP would posture the same -- not to take America's side against our greatest enemies -- because of their role in 9/11, in a conspiracy with the Saudis, Bin Laden family (who the Bush administration flew out of America on 9/11, two dozen family members, while Americans were grounded from being able to fly), and the Russians (Bush administration send air guard towards Alaska and Russia on 9/11 in order to open the front

door to the terrorists they concealed evidence for and who they flew out of the country), followed up by RICO obstruction of justice as accessories after the fact with the 9/11 Commission, led by Jeffrey Epstein's Henry Kissinger, followed by the GOP's unlawful "sweetheart" deal to as many as 1,971 clients, financiers, and associates of Jeffrey Epstein, refusing to prosecute some to all of them for sex trafficking children, including Donald Trump, whose GOP SCOTUS majority then on the back end RICO obstructed justice for the victims of the same, as accessories after the family, and thus protecting Jeffrey Epstein's Trump, Kissinger, Fox News' Rupert Murdoch, David Koch (financed the Federalist Society who hand-picked 6/0 SCOTUS justices who RICO obstructed justice for Jeffrey Epstein's victims), but not limited to the same.

As we have specified in our previous reporting, based on the evidence that is publicly available, it would be a frivolous conspiracy to refer to this evidence as anything but an ongoing criminal conspiracy for the GOP to employ terrorism, treason, sedition, elections fraud, insurrection, espionage, and/or other ongoing organized disqualifying crimes in order to steal elections, in order to control the legal landscape, to be able to use the offices they are usurping to RICO obstruct justice for their disqualifying crimes as accessories after the fact.

If this isn't what a RICO criminal enterprise looks like, then what is? If not now, then when, and if not you, then who will stop them to protect America from these enemies within?

As a swing voter whose family has helped elect at least one conservative government, and whose family socializes with the Bush and Barr family, we know that not all Republicans and conservatives are evil, but the ones who are, are really evil, and now they are talking about murdering anyone who doesn't vote for them, and/or who tries to hold them accountable, in a bid to scare the U.S. law enforcement they have publicly called for the destruction and defunding of, into not holding them accountable until they can purge them from public offices, or worse. Jeffrey Epstein's Trump and Koch's orbit, specifically the Heritage Foundation funded by Jeffrey Epstein's Koch, threatened "blood" against those who don't support Jeffrey Epstein's and Russia's crime syndicate's "revolution" in America, and where the GOP-Epstein orbit has invented a non-existent enemy, the "radical" left, who they say are trying to take the country and God away from Americans, when the total opposite is true. No one on the tolerant left is trying to take anyone's religion away from them, but there are plenty on the right (who largely embrace the total opposite of Christian values, revenge, hate, exploitation, and hoarding), trying to take religion (including mainstream and altruistic Christianity, based on the teachings of forgiveness, love, charity, and mutual aid for fellow brothers and sisters) away from others, and who are trying to take the country away from a country with rights for all, to a country with rights for the super rich only, and they are winning -- as enemies and organized crime installed by Russia into our government would want to do.

The time to act is now, fast and hard, to protect our brothers and sisters holding that thin blue and red lines, in the context that per Trump's John Kelly, Trump said fallen men and women of the service branches were "suckers" and "losers", and refused to honor their graves, to not mess up his hair.

<https://www.nbcnews.com/politics/donald-trump/john-kelly-confirms-trump-privately-disparaged-us-service-members-vete-rcna118543>

"Trump rejected the idea of the visit because he feared his hair would become disheveled in the rain, and because he did not believe it important to honor American war dead, according to four people with firsthand knowledge of the discussion that day. In a conversation with senior staff members on the morning of the scheduled visit, Trump said, "Why should I go to that cemetery? It's filled with losers." In a separate conversation on the same trip, Trump referred to the more than 1,800 marines who lost their lives at Belleau Wood as "suckers" for getting killed."

Separately, Trump, the GOP, and/or their proxies called for the execution of U.S. military personnel for trying to protect the Constitution over Trump, which then would have made them "suckers" and "losers", per Trump.

Act now and act legally while you still have the power to do so, power the GOP are eroding with every stolen election, despite having repeatedly disqualified themselves from office.

U.P.R. News Legal Disclaimer: Every person, family, organization, interorganization, agency, taskforce, country and/or proxy, expressed and/or implied of any wrongdoing in any of our published, distributed, and/or edited investigative journalism articles (researched speculative art opinions, expressions of speech, and religious expressions), is innocent of, and not liable for, any of the allegations until a legitimate court and/or law specify otherwise. Similarly, no perceived mischaracterization of any statement in any article we publish is true or false until a court specifies otherwise, and in such case we reserve the right to retract, correct, and/or publish a new article to correct any misunderstanding as the accuracy of any claim with new information we can report upon. Uprights News tests the truth with the facts we can find, and we understand that more facts may change our understanding of that perceived truth at a later date. Uprights News tests the truth by asking questions, and we try our best to find information that answers those questions. We also use obstructive A.I. linked to Epstein in some of our articles, whose "shared disclaimers" specify they (likely provably intentionally) make mistakes. All of our statements and articles should be treated as opinions or questions in the manner, "what if this allegation/fact is true, then is this allegation/fact also true?", even if those questions are expressed as opinions instead of as questions. This is also a media lab, where we experiment with and test our understanding of the truth in a cumulative manner. U.P.R. News and the content we publish should be considered like public investigators thinking out loud based on the evidence they have to protect the public. Everything we publish should separately be considered word art, religious art, cognitive behavioral therapy exercises by a victim of violent crime kidnapped, entrapped, and tortured under color of law then abandoned and targeted by 'justice' for 1st and 4th Amendment rights and whistleblower rights violations by them in conspiracy with treasonous child sex traffickers involved in war and murder crimes against children, but this is also hyperbole, sarcasm, a cry for justice by an artist trying to protect the U.S. Constitution from failing, but is also reflective, debate, allusion, allegory, hypotheses, comedy, tragedy, recanted and/or evolving testimony based on new discoveries, 1st Amendment art, media art, modern art, and/or performance art and/or separately our articles and ideas and symbols are thought experiments, conjecture, openly speculative, published openly to not appear to be plotting unlawfully against any party or government, researched, balanced, credible (supported by Special Counsels John Durham, and Jack Smith's "evidence beyond a reasonable doubt" of

disqualifying crimes, as well as by many Congressional investigations), and separately are exercises in the freedom of religion and the exploration of worldviews. All of our statements and articles we publish may separately be based on reasonable inference. We are not the ultimate deciders of what is true or not true, but rather, God, the law, an open journal documenting provable harm, credible and qualified governments not behaving badly nor in bad faith nor in a moot manner, and/or readers of our articles, who are free to read here or not, are free to decide what they believe is true or not true, based on their own additional research. Per Nietzsche, because it is true and it is false that it is good and it is evil when one animal kills another and eats it dead, the truth and harm can often be difficult to agree upon. Accordingly, Uprights News indemnifies all of its owners and contributors to all of its articles and for all of the content across all of the Uprights News website forever, from the beginning of time to the present and forth. Anyone who reads or receives any of the content of any of our articles agrees to and understands this disclaimer, and if not, they should ask an adult who reads to explain it to them. Anyone who reads any content at Uprights News fully indemnifies all contributors and owners to any article at UPR News as a precondition for any use, from the beginning of time forth. Every article we publish needs to be considered with every other article, and/or our supporting research, and/or based on your own research, as not to take any single article or claim out of context, and anyone using any of our copyrighted work or the work of others at Uprights News agrees to not to use nor consider any single article, or any part thereof, out of context of any other article or claim at Uprights News, because our articles and supporting research build on one another in an overlapping manner that form a deconstructed information puzzle and work of art. Uprights News is self-funded and/or advised by ex-military, ex-intel, and ex-law enforcement, who have been insiders, victims, and/or investigators of the Trump, GOP, Dems, Russians, and crime syndicate of Jeffrey Epstein, and thus we are an independent media organization that can't be bribed or influence by Jeffrey Epstein's crime syndicate of billionaires and the companies they wield as weapons against the world, and so we reserve the right to change our terms of service at any time. Accepting and agreeing to all of the above terms and herein are a precondition for using this website and any of its content in any manner, and everyone using this website must agree to all of these terms to use any of the same. Art like Uprights News is subjective and may or should result in different and/or competing opinions in a free society. All of this is hypothesizing out loud, and we welcome collaboration and correction requests, but our email systems have been overwhelmed by others, flooding our inbox beyond capacity. All of this is also a 1st Amendment expression by victims of violent crimes linked to Jeffrey Epstein. This is also a front channel to the US government in a bid to protect the same from its criminal element linked to the RICO obstruction of justice for the USA by its treasonous child sex trafficking element. This is also a public interest research project and the brainstorming for the same, testing 'the truth' daily, proven by our record of correcting the record with new information. This is also collectively an act of conscience against treasonous child sex traffickers engaged in acts of various types of war against children, the United States, and other countries, which we want to protect the United States from, believing them -- based on enormous evidence -- to be usurpers, anti-capitalist, anti-Christian, and privatized billionaire socialists sharing resources (taxpayer funds) operating a major RICO fraud as government contractors, trying to bring socialism back to America, which we will defend against here as is the duty of free press, per American traditional values, and per our sworn oath(s) to defend against all of the same.
