A Bohemian Club member and insider who has met with Harlan Crow, G.W. Bush, Jeb Bush, H.R. McMaster, Bill Barr, and/or the late Senator Dianne Feinstein has let UpRights News staff know that SCOTUS has been bought and sold.

Published on 22 October 2023 at 23:52

After a member of the Bohemian Club sent out a photo of himself on a fishing trip to UpRights News staff, we inquired to learn more about that fishing trip, as follows (note, some of the information and email exchanges between this member of the Bohemian Club and UpRights News staff are either cut out and/or redacted to protect the privacy of our sources).

Nice looking fish [REDACTED]!

Was that on the Bohemian fishing trip with Clarence Thomas or the one with Samuel Alito and Harlan Crow? ;0)

This prompted the member of the Bohemian Club reaching out to UpRights News staff, to later gripe that a city government wouldn't let the wife of the member accept a box of chocolates, and yet the Supreme Court has been "bought and paid for", in the context this particular member has personally met with Bohemian Club's Clarence Thomas' corrupter Harlan Crow, at the Bohemian Club, along with Trump's H.R. McMaster (the member's

"buddy"), and where the member has also met with G.W. Bush, Jeb Bush, Chris Christy, Bill Barr, Asa Hutchinson, and/or others, all meeting at the Bohemian Club, and some allegedly seen sneaking off into the woods together to plot with one another, despite the same being otherwise forbidden.

Then the staff at UpRights News and the member exchanged some information about the buying, selling, corruption, and/or illegitimacy of the Supreme Court, as follows, mostly public information, except for what is highlighted in red, which is Bohemian Club "insider" and/or UpRights News "source" information.

Accordingly, if someone with this access to (1) *at least one of the billionaires known to have repeatedly bribed SCOTUS, specifically Clarence Thomas' Harlan Crow*, (2) *a former POTUS (G.W. Bush who nominated Alito and Roberts AFTER 9/11 and the 2000 stolen elections)*, (3) *the general of a former POTUS (H.R. McMaster, who defended the treason of Donald Trump, instead of having him removed and prosecuted for ongoing treason)*, (4) *a former POTUS candidate (Jeb Bush, whose family and/or the GOP "rigged" and "stole" the 2000 elections for themselves)*, (5) *two active POTUS candidates (Chris Christy and (6) Asa Hutchinson)*, and/or (7) *Iran Contra's, Trump's, and/or Russia's Obstructor-in-chief for the Bush and Trump families - Bill Barr - the son of Donald Barr, who first groomed and hired Jeffrey Epstein at Dalton private school for children - thereafter specifies that SCOTUS has been bought and sold - then we should believe him, not just because the same is public record, but because this member has met with many of the people responsible for the unlawful nominations, corruption, and/or bribing of Roberts, Alito, Thomas, Barrett, Kavanaugh, Gorsuch, and/or Thomas. More simply, an insider to this bunch is simply confirming that SCOTUS has been bought and sold.*

"It is mind boggling that [REDACTED] who works for the city of [REDACTED] is not allowed to accept even a box of chocolates yet our Supreme Court are bought and paid for. "

Well said, and yet per public evidence and reporting, many of those folks you have socialized with at the Bohemian club have played key roles in the buying and selling of the U.S. Supreme Court, as follows.

The Bohemian Club's Harland Crow (who you met) and/or the Bohemian Club's David Koch (who I am not sure if you met) are who have been illegally bribing the Bohemian Club's and Bush family's (who you met) Clarence Thomas on the Supreme Court, and here is a news story and some more info that goes into those details.

And "Crow is a member of the all-male [Bohemian Club](#), and as early as 1997 he had hosted Supreme Court Justice Clarence Thomas as a guest at the group's annual [Bohemian Grove](#) summer gathering.^{[19][20]} having met Thomas in the mid-1990s.^[6] Crow was also a friend and former business partner of the publisher [Wick Allison](#).^[21]

[The Intercept](#) and [Project on Government Oversight](#) reported in 2023 that Crow and his family purchased citizenship in [St. Kitts and Nevis](#) through the [citizenship-by-investment](#) program in 2012, raising concerns about the billionaire's ability to shelter assets and obscure financial transactions by taking advantage of the island nation's banking secrecy laws.^{[22][23]}

In 2023, [ProPublica](#) reported that Crow had given lavish gifts to [Associate Supreme Court Justice Clarence Thomas](#) over a period of 20 years. The gifts include a \$19,000 [Bible](#) that belonged to [Frederick Douglass](#). Crow gave Thomas a portrait of the justice and his wife, according to the painter, Sharif Tarabay. Tax filings show that Crow's foundation also gave \$105,000 to the Yale Law School, Thomas's [alma mater](#), for the "Justice Thomas Portrait Fund". Justice Thomas has accepted numerous week-long luxury trips, including island-hopping on Crow's [superyacht](#), international and domestic private jet travel, and private resort stays.^[24]

On April 13, 2023, ProPublica reported that Crow had quietly paid Thomas for property occupied by Thomas's mother's home, despite law requiring disclosure of property sales by public officials.^[25] Crow said he bought the property with the intent of later turning the home into a public museum dedicated to Thomas. The property included two vacant lots.^[26] Soon after the purchase, an architecture firm received permits to begin \$36,000 of improvements, while Thomas's mother continues to live there.^{[27][28]}

Allegations have risen that Crow has been "subsidizing the lifestyle of Thomas and his wife" as Thomas continued to support conservative causes on the Supreme Court.^[25]

Allegations have risen that Crow has been "subsidizing the lifestyle of Thomas and his wife" as Thomas continued to support conservative causes on the Supreme Court.^[25]

Under rules that went into effect on March 14, 2023, justices must disclose many forms of gifts they receive; but exceptions exist if a gift of food, lodging, or entertainment is deemed "personal in nature" and the hospitality has been directly offered by an individual who has a personal relationship to the government official in question.^[29] The new rules do however require disclosure of stays at commercial properties as well as private jet travel.^[30]

Legal experts cited by ProPublica say that Thomas did not disclose the gifts, violating a financial disclosure law and ethical norms for judges.^{[24][31]} According to Crow, he has "never sought to influence Justice Thomas on any legal or political issue".^[6] Democratic lawmakers reacted to the revelations by demanding Thomas's resignation and calling for an investigation.^[30]

In a May 2023 letter Crow's lawyer said that the [Senate Judiciary Committee](#), chaired by [Dick Durbin](#), did not have "the authority to investigate Mr. Crow's personal friendship with Justice Thomas."^[32]

Crow's Dallas residence has an extensive collection of historical artifacts, including communist and [Nazi memorabilia](#). His residence houses [two paintings by Adolf Hitler](#) and a signed copy of [Mein Kampf](#).^{[33][34][35][36][37]} Crow's backyard garden is home to at least 20 statues of authoritarian leaders and Communist icons including [Vladimir Lenin](#), [Joseph Stalin](#), [Fidel Castro](#), [Mao Zedong](#), [Karl Marx](#), [Hosni Mubarak](#), [Josip Broz Tito](#), [Nicolae Ceausescu](#), [Walter Ulbricht](#), [Gavril Princip](#), [Bela Kun](#), and [Che Guevara](#).^{[38][39][40]}

"Crow donated \$500,000 toward publicity campaigns for President [George W. Bush](#)'s nominees [Roberts, Alito] for the Supreme Court.^[6] In 2009, Crow mounted an unsuccessful multimillion-dollar campaign to block the establishment of a publicly owned convention hotel in Dallas.^[11] According to [Politico](#), that same year, he provided \$500,000 to [Liberty Central](#), which was established by [Virginia Thomas](#), the wife of Justice Thomas.^[12]

Here it is important to note that Virginia Thomas, the wife of Clarence Thomas played a key role in trying to overthrow the United States on 01/06/2021, and where Clarence Thomas was factored into the part to overthrow the United States, but for Mike Pence not employing the fake electors, which Trump lawyer Chesebro just pled guilty to today in Georgia, and where his other lawyer, Powell pled guilty within the last week, for now 3/19 guilty pleas and they are just getting started, and this is just for Georgia, there are so many other cases on the go right now.

In fact, the Bohemian Club's and Jeffrey Epstein's David Koch is one of the chief financiers of the Federalist Society, who hand-picked and/or is associated with 6/9 of the GOP Supreme Court 'justices', "Brett Kavanaugh, Neil Gorsuch, Clarence Thomas, Samuel Alito, and Amy Coney Barrett."^{[11][11]} Chief Justice [John Roberts](#) previously served as a member of the steering committee of the Washington, D.C. chapter, but denies ever being a member.^[12]

After the Iran Contra treason conspiracy, G.H.W. Bush (father of Bohemians G.W. and Jeb who you met) and (Bohemian) Reagan illegitimately installed (Bohemian) Clarence Thomas and a GOP majority on SCOTUS, and Thomas, Kavanaugh, Roberts, and/or Barrett, respectively and/or collectively were part of the treason and/or seditious conspiracy to overthrow the United States to stop the democratic vote during the 2000 elections in Bohemian Club's Jeb Bush's Florida, and/or the legal efforts, in order to "engineer" G.W. Bush into office, whose administration is who refused to prosecute as many as 1,971 conspirators of Jeffrey Epstein, including David Koch and Donald Trump, and in a quid pro quo, Jeffrey Epstein's Donald Trump then picked Kavanaugh (accused by more than one woman of having been part of a gang in college who drugged and raped students) and Barrett as SCOTUS 'justices', but as Trump was engineered into office by treason with Russia (treason which your Bohemian buddy H.R. McMaster defended, and/or treason which Bohemian Bill Barr helped obstruct, who you saw not too long ago at Bohemian Club), then these are also illegitimate SCOTUS post-treason conspiracies. Then don't forget that Bohemian G.W.'s administration pre-planned to send our national air guard and/or NORAD away from New York, which allowed the terrorists to attack the United States, followed by him adding Roberts and Alito (bought and sold by Paul Singer) to the court.

"On June 20, 2023, Alito published an op-ed in *The Wall Street Journal* challenging the assertions made in a forthcoming *ProPublica* article, claiming that the source "misleads its readers".^{[86][87]} The *ProPublica* investigation, published a few hours later, addressed Alito's relationship with billionaire businessman Paul Singer, focusing on a trip Alito and Singer took to a luxury fishing resort in Alaska and suggesting Alito "violated a federal law that requires justices to disclose most gifts", such as private jet travel.^[88] The article said he should have recused himself in cases involving Singer and that he was obligated to disclose certain benefits as gifts on his 2008 Financial Disclosure Report. Legal ethics experts quoted in *ProPublica* called Alito's behavior "unacceptable".^[89] Alito's preemptory challenge maintained that *ProPublica*'s charges were invalid.^[88] Alito further contended that because of an exemption in the Court's reporting rules for "personal hospitality", he was not required to disclose private air transport for social trips.^[86] His unconventional decision to bypass reporters' questions and preempt the story via a separate publication took *ProPublica*'s reporters by surprise.^[90] The decision to publish the op-ed was criticized both within the *Wall Street Journal* and by media critics, in part because Alito's "pre-buttl" lacked fact-checking.^{[90][91]}

The *ProPublica* report on unreported gifts to both Alito and Thomas led several Democratic members of Congress to call for ethics reform for the Supreme Court. This included a Senate Judiciary Committee proposal to establish a code of ethics for the Court.^[92] In a July 2023 *Wall Street Journal* opinion column, Alito wrote, "Congress did not create the Supreme Court [...] I know this is a controversial view, but I'm willing to say it. No provision in the Constitution gives them the authority to regulate the Supreme Court—period."^[93] This declaration led to further debate among Democratic lawmakers. Senator Chris Murphy asserted that the Constitution gives Congress power to oversee the Court: "It is just wrong on the facts to say that Congress doesn't have anything to do with the rules guiding the Supreme Court. In fact, from the very beginning, Congress has set those rules."^[94]

But illegitimate SCOTUS 'justices' Thomas and Alito, are the only ones who have been bribed, as John Robert's wife was also involved in at least a \$10M self-deal linked to SCOTUS, and Gorsuch and Barrett have each been caught involved in similar real estate deals as Clarence Thomas, and so rank to the core, and again, all public knowledge.

The 5-4 Citizen's United ruling by an in part illegitimate SCOTUS, which included Bohemian Thomas and also John Roberts, and/or Virginia Thomas immediately thereafter, in part legalized and/or facilitated bribery of our government offices from the top to the bottom, but where the constitution prohibited the legalization of bribery of public offices, a high crime and misdemeanor, and where the constitution also prohibited illegitimate SCOTUS justices installed by illegitimate POTUS from changing even one things about how the government operates, but for racketeering and corruption by the Bohemian membership and their guests, and so the Bohemians know a thing or two about the buying and selling of SCOTUS is for sure, based on public records as I understand them, but then again, what do I know? ;0)

This Bohemian Club member, who has met with Clarence Thomas' Harland Crow, Alito's and John Roberts' G.W. Bush, Jeb Bush, Donald Trump's H.R. McMaster, and/or the Trump

family's and Jeffrey Epstein's crime syndicate's Bill Barr, and/or others responded with the following, confirming that SCOTUS had been bought and sold via a bribery conspiracy. There you have it, from an "insider" and member at the Bohemian Club.

I read propublica often.

Never met Koch, not a fan of his political view. Money buys power, always has, always will I'm afraid.

Also super interesting, this Bohemian "insider" also revealed to UpRights News staff that he met with the late Senator Dianne Feinstein – not once, but twice – once in San Francisco at a Chinese Restaurant, and another time thereafter at her office in Washington D.C., AFTER she championed Crossfire Hurricane, which Trump, the GOP, Bill Barr, H.R. McMaster, SCOTUS, and/or others corrupted and/or obstructed, and which Trump specified is in part the motive and intent behind Putin's "very savvy" and "genius" war (and thus child kidnapping, child rape, child torture, and/or child trafficking, currently being investigated by the ICC and/or DOJ) in Ukraine, per Trump's public comments.

Accordingly, this Bohemian insider didn't just meet with the person who started the known investigations into Trump, GOP, and Russia – *and where Trump has since specified on March 30, 2023 that he knew of an investigation into him, the GOP, GOP financiers, Russia, and/or others, which he specified as a "witch-hunt" by 06/16/2015, a full year before Crossfire Hurricane was launched, an "unknown investigation", which Trump said he knew about as he came down the escalator of Trump Tower* – but this Bohemian insider also met with the person who corrupted all known and/or unknown investigations into Trump thereafter, and/or others he met with others who overtly furthered that corruption, and he met with others nominating and/or bribing the Supreme Court to dismantle the laws Trump, the GOP, and/or Russia may have violated in an ongoing conspiracy together, resulting in known and/or unknown investigations.

Accordingly, the plot just thickened here, and where one can only image what this insider must know about contemporary geopolitics, to have the Trump, Bush, Crow, Barr, and Feinstein orbit swirling around him, like flecks of dust orbiting around a black hole of Bohemian secrets, including but not limited to SCOTUS being "bought and paid for".

Enormous patterns make for exceptionally poor statistical coincidences.
